Re: Updated Information Regarding 2019 Region of Peel Child Care Fee Reduction Initiative

Dear Parents and Guardians,

The Region of Peel is pleased to confirm that the child care fee reduction initiative which began in 2018 will be available for the remainder of 2019.

This means that your licensed child care provider will continue to reduce its fees or reimburse families who pay the full cost of care by:

- **\$12.00 per day** for full-day care (six hours or more per day)
- **\$6.00 per day** for part-day care (less than six hours per day)

From January to August 2019, children born on or after January 1, 2015 are eligible. As of September, children born on or after January 1, 2016 are eligible.

Please note that this funding **may not be available in 2020** due to child care funding cuts by the Province, which we have been told will likely take place in January 2020. You will receive an update in the fall.

For more information on the child care fee reduction initiative, talk to your provider or check out:

- your provider's parent information board
- online at: www.peelregion.ca/children/reduced-children-fees/

Sincerely,

Suzanne Finn
