President and CEO Message

Big is the new big...
More Staff. More Programs. More Families. 

In last year's annual report, we entitled our message "small is the new big." And we stand by our words. That's the PLASP Child Care Services story. One conversation. One caring early years professional. One child. One family. One relationship at a time. That's how learning happens.

But sometimes big is also the new big. We all know the PLASP story—we started in 1975 with three after-school programs. Today, we're one of the largest and fastest growing licensed, non-profit child care providers in Canada. At PLASP, we make no small plans.

Seamless transition to new head office

Our growth took us to a new head office in October 2014. Thanks to the commitment of our staff, the move was undertaken with a seamless transition for families and the community—there was no interruption of service.

Child care sector continues to transform

It's been another year of transformation in the child care sector.

- In 2014–2015, we were pleased to work with our four school board partners on the final year of full-day kindergarten implementation.
- We began to implement [How Does Learning Happen? Ontario's Pedagogy for the Early Years](#). With its emphasis on the four foundations of belonging, well-being, engagement and expression, this pedagogy is an exciting new resource to support early learning in our programs.
- In Dec. 2014, the government proclaimed the new Child Care and Early Years Act and it came into effect Aug. 31, 2015, replacing the 70-year-old Day Nurseries Act as the governing legislation for licensed child care. Since all 214 PLASP locations are licensed, this has a significant impact on every aspect of our operations. The new act and accompanying regulations represent a major part of the government's child care modernization plan. PLASP is an important partner, along with other large child care providers, in providing advice to and dialoguing with the Ministry of Education as changes to the sector continue to unfold.

Unprecedented community support

We're grateful for an unparalleled year of support from our communities, in the form of awards and recognition:

- Mississauga News Readers' Choice Award for the 18th year in a row
- Humber College Employer of the Year Award
- Brampton Board of Trade Business Excellence Award nomination for Community Impact
- Nominated for United Way's Spirit Award for Outstanding Corporate Campaign

These awards represent only a few of the partnerships and relationships we've forged in our communities. We're thankful, humbled and honoured by your ongoing commitment and support.

Family Play Discovery

As we look ahead to our 40th anniversary in 2015-2016, we look forward to a year of celebrations focused around the theme of "Family Play Discovery."

Make no small plans. We invite the entire extended PLASP family to make big plans—wrapped in the joy of play and discovery.

Award Winning Service

For 18 years in a row, PLASP has been recognized by the readers of the [Mississauga News Newspaper](#) as Best Provider of Child Care and by the readers of [City Parent Magazine](#) as Best Before and After School Program Provider.

PLASP was also chosen as the Gold Winner for the [Brampton Guardian](#) Readers' Choice Award for the 2nd year in a row. PLASP also received an award from Humber College as an [Agency of Distinction by the School of Social and Community Services](#).

New Home for PLASP Head Office

“Very happy to be a part of the PLASP family. My kids love it and it’s one of the best decisions we have made. Great job guys!” — Tracy Brooks, Parent 

In October 2014, PLASP expanded by relocating their head office to 60 Courtneypark Drive West in Mississauga. With the growth and expansion of programs throughout Peel and Toronto, the new location was carefully selected to accommodate PLASP’s continued growth.

The new office at 60 Courtneypark is 24,000 square feet and provides work stations for approximately 100 administrative staff. Spacious meeting rooms equipped with audio visual, work tables and large windows are available for the ongoing training that PLASP provides to more than 1,000 program staff.

On May 14, PLASP celebrated the grand opening of the new office. Community guests were invited to tour the new office.

PLASP CEO, Lynn Hiebert, was thrilled to host the grand opening during National Child Care Week. “I’m reminded of our PLASP mission, to be a world-class early learning and child care provider. We’re one of Canada’s largest child care operators, and we’re about to celebrate our 40th anniversary. None of these accomplishments or milestones would have happened without the commitment and dedication of our staff, the support of our families and the amazing children we serve.”

PLASP Staff Starts School Year with Brain Boost — Staff Recognition 2014

PLASP started off the new school year with a brain boost from “The Brain Trainer” Brian Thwaites at its Staff Recognition Day at the Mississauga Convention Centre on Monday, August 25, 2014. Brian’s engaging and funny presentation emphasized that how we use our brains has *everything* to do with *everything* we do. “Change helps keep us young,” Brian suggested in his talk, and highlighted the impact we have on helping children thrive through play-based learning.

In addition, PLASP recognized staff for their years of service ranging from five to thirty years. The recipient of the Kay Stroud Award was also announced and presented to Sara Kamran, Program Director at Copeland Public School, in recognition of her outstanding contributions to child care programs for school age children.

The World Needs Your Kids — Annual Parent and Community Meeting 2014

PLASP's 2014 Parent and Community Meeting, held on Monday, October 20, 2014 at the Living Arts Centre, was a tremendous success. More than 1,400 people were in attendance, including parents, community representatives and staff. Greetings were brought by special guests, the Honourable Liz Sandals, Minister of Education; Mario Pascucci, Chair and Trustee, Dufferin-Peel Catholic District School Board; Janet McDougald, Chair and Trustee, Peel District School Board; and Mari Rutka, Chair and Trustee, Toronto District School Board.

Paul Street presented the President's Report, covering significant highlights from the 2013–2014 year, including the growth in services, and the opening of new programs. Lynn Hiebert, PLASP CEO, presented the CEO's report. "Small is the new big. At the heart of it, no matter how large PLASP grows, our size and stature as an organization is built one family, one child, one relationship, one conversation at a time," Lynn said in her speech, as she talked about the growth at PLASP while

the organization maintains its core values to continue to have one-on-one personal interaction between the children in our programs, staff and management.

Craig Kielburger, co-founder of Free the Children, provided an inspiring and informative presentation to guests, focusing on ***The World Needs Your Kids, How to Raise Kids Who Care and Contribute.***

Craig provided key insights on guiding children to be compassionate and engaged global citizens. He recognized that the most important people in the world are those who work with and/or raise children and were therefore in the room that night.

At the Community Reception held immediately prior to the Parent Meeting, special presentations were made to schools with new PLASP programs this year, as well as to Emil Kolb, retiring Regional Chairman, The Region of Peel and retiring PLASP Board Member, Past President, Phil McDowell.

PLASP Celebrates Volunteers — Annual Volunteer and Student on Placement Recognition 2015

Volunteers and students on placement are recognized annually at our Volunteer and Student on Placement Recognition Event. This year, it was a night of celebration and #3Hugs for the almost 1,000 guests who attended the event at the Mississauga Convention Centre on Thursday, April 16, 2015. Upon arrival, guests were treated to a buffet dinner, waffle bar, DJ, photo booth and dance performance by the Cawthra Park Secondary School Dance Repertoire Ensemble.

During the awards ceremony, PLASP recognized the contributions of the PLASP Board of Directors and Committee Members, and more than 1,300 volunteers and 200 students on placement. All PLASP volunteers received a certificate and pin. "The truth is, more often than not, you will never know the impact you have on the children in your program," said Sharon Flood, Manager of Volunteer Services.

The highlight of the evening was keynote speaker Dr. Adolf Brown III, noted author, award-winning educator and psychologist. In his informative and inspiring presentation, Dr. Brown shared with the audience advice on how to overcome the tough times in their lives by sharing his own story about a childhood of violence and poverty — and his ability to rise above. "You've got to dance through the

storm," he said, as he danced across the stage. Having a mentor in his life was also key, Dr. Brown added, as he talked about the impact an elementary school teacher had in helping guide him. At the end of the evening, Dr. Brown revealed the identity of the teacher who made such a difference to his life — special guest Susan Tolley — and both speakers received a standing ovation.

Guests were honoured with warm, meaningful greetings brought by our community partners: His Worship Allan Thompson, Mayor of Caledon; Brampton City Councillor Gurpreet Dhillon; Cathy Coulthard, Associate Dean, School of Education at the Faculty of Applied Health and Community Studies, Sheridan College Institute of Technology and Advanced Learning; Tony Pontes, Director of Education, Peel District School Board; Mary Davis, Academic Consultant Experiential Learning, Dufferin-Peel Catholic District School Board; Sheryl Robinson-Petrazzini, Central Coordinating Principal, Toronto District School Board.

Congratulations to all of our very generous volunteers and students on placement for another successful year of volunteering with PLASP!

PLASP Embraces *How Does Learning Happen?*

“PLASP is a real professional organization, #1.” —Ashfaque Moin, Parent 

As an organization, PLASP has embraced the Ontario Ministry of Education’s [How Does Learning Happen](#) pedagogy document. Staff training occurred during area meetings and at staff advisory meetings. PLASP has also incorporated this document in our social media activity – including the launch of our Instagram page – to share this information with families and volunteers in a way that’s accessible. As part of the employee training, PLASP staff were strongly encouraged to review and become familiar with the document.

The [“How Does Learning Happen?” Ontario’s Pedagogy for the Early Years, 2014,”](#) document emphasises the four foundations

of belonging, well-being, engagement and expression. This resource is a key component of Ontario’s vision for the early years, stating, “it demonstrates our commitment to strengthening the quality of early years programs by ensuring these programs are centred on the child and the family.”

By embracing this document, it gives PLASP the opportunity to set standards for consistently high quality care that parents can rely on. By aligning the PLASP mission and curriculum with the Ontario Ministry of Education, PLASP can work towards their potential and vision: To be a world-class early learning and child care provider. More information can be found on the ministry’s [website](#).

PLASP staff also participated in the following training during 2014–2015:

Required Training

- First Aid Training
- Self Esteem
- Positive Care Giving for Children
- Emergency Procedures
- Ministry of Education Licensing Procedures
- Introduction to Leadership
- Principles of Administration
- Setting the Stage for Successful Behaviour
- Health and Safety (includes WHMIS)
- Food Safety
- Administration of Medication

Elective Training

- Leading by Example and Coaching and Mentoring
- Handling Difficult Conversations and Providing Effective Feedback
- Emergent Play and Inquiry-Based School Age Curriculum
- Self-Regulation in an Early Learning and Child Care Environment
- Retiring “Good Job” by Engaging in Intentional Higher Level Conversations
- Handwriting without Tears
- Physical Literacy

PLASP’s Online Community

“I haven’t even started yet and I feel I made such a great choice with PLASP.” — Jacquie Ross, Parent 

PLASP experienced tremendous growth online during 2014 –2015 — by establishing a stronger presence on social media — particularly on Facebook and Twitter and with the launch of our Instagram feed in March 2015. Managing subscribers and cross promotion on multiple social media platform quickly became an important consideration as online traffic increased. PLASP continued to work with Conversion Marketing-Communication,

a third party digital marketing firm, as well as implemented the use of Mail Chimp for email communications with parents, and Hootsuite to manage our social media properties. These third-party resources have streamlined our processes and allow us to communicate with families in a far more efficient and timely manner.

We are most popular on:

PLASP's Online Community

We are working on increasing our presence on Instagram, Pinterest and LinkedIn. Stay tuned!

PLASP followers on Facebook prefer video posts over any other posts, with shared links being second. Shared links could include links to PLASP blogs, news articles of interest and links to news releases from community partners, including school boards. Photos are also popular whereas a simple status update has very minimal reach. This kind of data will help PLASP structure social media strategies to give followers what they want to see — lots of videos, links and photos.

Type	Tweets
 Video	2,052

PLASP soon discovered that what their followers were most interested in was content that they could relate to. Insights and analytics show that the content that families engage most with is honest, heartfelt and sincere.

As a result, PLASP has changed its blogging approach — a lot of the blog articles now include personal interviews and photos of PLASP staff and families, and talk with them about their experiences with PLASP.

For new PLASP mom Noreen, peace of mind is key

PLASP offers infant care in three early learning and child care centres starting September

New mom Noreen began researching child care providers when she was still pregnant. When a colleague suggested PLASP, Noreen was relieved to have a personal referral.

At the time, PLASP wasn't offering infant care so Noreen began to look at other child care providers. In the meantime, her daughter Laila was born.

"It was challenging," she said. "I looked at other providers in my neighborhood, but they didn't seem like quite the right fit. And other mothers I talked to had all told me to trust my instincts when selecting a child care centre."

Financial Overview

PLASP continues to provide licensed, high quality, accessible programs to families at reasonable and competitive rates. 

In 2014–2015, PLASP continued to hire additional qualified staff to support the continued growth in kindergarten and school age programs.

PLASP operations generated an excess of revenue over expenses in 2014–2015 of \$2,029,167, of which \$1,498,995 of this amount was made available through a one-time Region of Peel grant.

With this additional grant, and funds generated from operations, PLASP was able to increase its Contingency Reserve. The Contingency Reserve provides PLASP with the ability to finance program expenditures for any unforeseen reason when annual net revenues are insufficient to maintain programs.
